

**From delivering happiness to strengthening relationships
Domino's Pizza India unveils new brand positioning
"Yeh Hai Rishton ka time"**

New Delhi, Oct 11, 2012: Domino's Pizza, India's Pizza Delivery expert and market leader in the organized pizza home delivery segment today announced the launch of their new brand positioning campaign "**Yeh Hai Rishton Ka Time**". After spending four years with the emotional proposition of Happiness Home delivered- 'Khushiyon ki Home Delivery', Domino's Pizza now endeavours to deepen the engagement with consumers, through its new brand positioning that focuses on relationships and bonding.

Commenting on the new brand positioning campaign and tag line Mr. Ajay Kaul, CEO Jubilant FoodWorks Limited said "

The Positioning Journey

So Far.....

Late 90's onwards

- Created the Pizza Category from scratch; as no organized food chains existed
- Brand tagline: Hungry Kya?
- In 2003 introduced the concept of Home delivery and made consumers experience it's convenience.
- Promoted with a tactical campaign- '30 mins or free' delivery promise
- 2006-2008-Armed with better consumer understanding on out-of home food consumption, the focus was to establish taste

After the successful run with our emotional positioning of 'Khushiyon ki Home Delivery', we believed it was time to take the consumer connect with the brand to the next level and hence this new positioning of ***Yeh Hai Rishton ka Time***. We believe that it will help us continue the growth momentum and take the brand to the next level."

Adding his thoughts on the brand's repositioning, Mr. Harneet Singh Rajpal, Vice President, Marketing - Domino's Pizza India said, "When we moved from 'Hungry Kya' to 'Khushiyon ki Home Delivery' in 2008, we took the first step in our transition from a functional fulfillment brand to emotionally connected one. After four year of fantastic run with this positioning, during which Happiness as an emotion generally became diffused as today more than 30 brands have 'happiness' in their positioning statement, we felt it was time to evolve and anchor the brand in a more deeper level of emotion. We now want to delve into a space and proposition which we can uniquely own. Our new positioning statement '***Yeh Hai Rishton ka Time***' replays the fact that Domino's time is the time which people spend together in a casual and informal way and it leads to the bonds, that people share, becoming stronger, warmer and more livelier."

He further added, "The new positioning ***Yeh Hai Rishton ka Time*** would take us to a new level of emotional connect so that the engagement with the consumer is deeper and more enduring. Our constant emphasis with our brand repositioning would be to enhance and evoke happy memories of our consumers."

The Campaign "***Yeh Hai Rishton Ka Time***" is conceptualized by Contract Advertising.

This new campaign would be supported by a Television Commercial and in store print elements like DHs, BTs, Translites, Banner, Bike Back, Hoardings, new brand website, promotion on social media etc.
