

## Press Release

### **Jubilant FoodWorks Limited Launches its First Commissary in North India**

*- First commissary in North India for Domino's Pizza and Dunkin' Donuts*

*-To cater to the states of Punjab, Harayana, Uttarakhand, Himachal Pradesh and Jammu & Kashmir*

**Chandigarh, 10 April, 2013:-** Buoyed by the excellent response to the two brands and future growth opportunities for store network expansion across North India, Jubilant FoodWorks, today launched its commissary in Mohali to cater to the region. The commissary will cater to all Domino's Pizza and Dunkin' Donuts outlets in five states apart from Chandigarh, namely: Punjab, Haryana, Uttarakhand, Himachal and Jammu & Kashmir.

***Speaking on the launch of the commissary in Northern India, Mr. Ajay Kaul, CEO, Jubilant FoodWorks Limited said*** "North India is a critical market for us and the consumers here have shown a great affinity to our brand. In the past few years, this region has seen a double digit growth in terms of system and same store growth. To cater to the rising consumer demand and to increase our footprint in the region, ***we are opening our first commissary in the region today.*** This state-of-the-art commissary, which will have cutting edge technology and a highly skilled workforce, is an extension of our commitment to cater to our loyal customers in North India."

The state-of-art commissary spans an area of 25000 square feet and is equipped with the latest technology and automated machinery, temperature controlled refrigeration and freezer units to ensure highest standards of food safety and quality. This commissary will cater to 45 Domino's stores and 1 Dunkin' Donuts restaurant to start with.

All the processes in the commissary have been designed complying to regulations laid down by Food Safety & Standards Authority of India. The commissary will also have an in-house testing laboratory that

will ensure stringent checks on the quality of materials in the production process. The facility will focus on maintaining strict process controls in all stages of production, storage and distribution.
