Dear Ma'am/Sir,

Pursuant to provisions of Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, and our earlier letter dated July 21, 2018 in this regard, we wish to inform that the National Anti-Profiteering Authority (NAA) has passed an order in the Anti Profiteering Investigation on the Company which has been posted on NAA website on February 4, 2019 concluding a profiteering of Rs. 41.42 Crore.

Jubilant FoodWorks unreservedly supported the reduction of GST on restaurants to 5%, as we believed it to be an extremely progressive and growth-enabling measure. In the absence of any explicit rules and guidelines, we followed the spirit of the law and passed on the benefits of GST reduction to our customers with immediate effect.

We would like to assert that the loss to the company due to Input Credit withdrawal was far higher than the price increase that was taken, and this wasn't taken into account by the NAA. We are studying the order in detail and will be exploring all possible options for the future.

This is for your information and records.

Thanking you,  
For **Jubilant FoodWorks Limited**
