### JUBILANT FOODWORKS LIMITED - 30TH ANNUAL GENERAL MEETING

### Speech by Mr. Shyam S. Bhartia, Chairman

Dear Fellow Shareholders,

I take great pleasure in welcoming all shareholders to our 30th Annual General Meeting.

For nearly three decades, bold decisions and actions have shaped Jubilant FoodWorks' journey. We are not just following trends; we are shaping them—building platforms and operating as a cutting-edge food-tech company, leading the way with innovation and a passion for delicious food and delivering value to customers. This philosophy is encapsulated in our theme for the year: Be the BOLD.

We are pleased to share with you that FY'25 stands out as a landmark year for Jubilant FoodWorks, showcasing significant growth and increased market share. The Group system sales reached almost \$1.1 billion, with nearly one store opening every day in FY '25, expanding our network to over 3,300 stores. Our strategic choices, relentless focus on execution, providing value through free delivery and menu offers and an improved pace of innovation have propelled our Company to lead the industry in growth and profitability. Despite headwinds, our initiatives delivered strong results.

We opened 325 stores at the group level in FY'25 which takes the JFL Group network strength to 3,316 stores. For Domino's, we opened 238 stores in the year. Consolidated Revenue from Operations was Rs. 8,142 Cr and Operating EBITDA came in at Rs. 1,573 Cr with a margin of 19.3%. Profit after tax for the Group came in at Rs. 233 Cr with margin of 2.9%. Domino's India's delivered a standout revenue growth of 13.4% and a 7.5% Like-for-Like (LFL) growth.

The Board of Directors of the Company has recommended a dividend of Rs. 1.2 per equity share of the face value of Rs. 2 each, amounting to Rs. 79 Cr, subject to shareholders' approval at the Annual General Meeting.

There are several key performance vectors that we continue to focus on and invest in to unlock shareholder value. I would like to highlight some of these critical areas to provide you with a better understanding of our strategic priorities.

### **Breakthrough Technology**

We are harnessing the power of data and AI not just to improve, but to revolutionise every aspect of our business. We are building a proprietary, end-to-end AI ecosystem that would provide a formidable competitive advantage.

 Our Al journey begins before a store even exists with Location.Al, our proprietary engine that predicts demand with remarkable accuracy down to a specific street or mall location. By analysing thousands

of data signals, it allows us to optimise our network expansion, delivery areas and hyperlocal marketing with scientific precision.

- Once a store is operational, Restaurant.Al and Delivery.Al create smarter, more efficient kitchens and delivery networks. This integrated suite of tools dynamically adjusts delivery zones to manage peak loads, ensures compliance and cleanliness through advanced Al surveillance and optimises every aspect of the rider experience—from 30-minute onboarding to intelligent order allocation—for faster, more reliable service.
- Tying this all together is Elate, the revolutionary, India-first Android-based Point-of-Sale (POS) system developed entirely in-house by our 250-member strong technology team. As a cloud-first platform, Elate seamlessly integrates with our D2C App and machine learning models to create a unified, personalised digital ecosystem. It is fundamentally changing our in-store operations, slashing training times and elevating customer experience across our entire brand portfolio.

### Operate with Excellence

A bold vision must be matched with excellence in execution. This year, we made strategic investments that have supported our growth.

- We took the step of implementing free delivery, a move that has impacted the competitive landscape.
   While this initially moderated our average ticket price, we successfully absorbed the impact and are now seeing ticket prices grow upwards, fuelled by a record high new customer acquisition.
- Despite the increase in our delivery mix, JFL India EBITDA scaled a high of Rs. 1,181 Cr with a 7.8% growth and margin of 19.3%.
- To support this growth, we simultaneously ramped up our regional office and commissary infrastructure. Our unique supply chain, anchored by our state-of-the-art FoodParks, continues to provide efficiency, quality and control to our operations.

### **Leading with Purpose**

At Jubilant, our purpose—Serving JOY—is the compass guiding our strategy, culture and long-term value creation. It reflects our belief that sustainable growth stems from a deep commitment to CARE—for our people, our customers and our communities. This purpose is brought to life through our core values, which shape how we lead, operate and innovate.

- Empowering Our People: We believe that performance is driven by purpose. Our teams continue to deliver differentiated outcomes, even in a muted demand environment, by Hustling Mindfully—balancing intensity with intention—and embracing a culture of ownership and self- initiated excellence. Our consecutive recognition this year as a Great Place to Work® is a testament to our investment in leadership development, well-being and building a future-ready organisation that thrives on Driving Growth.
- Caring for the Planet and Communities: Our responsibility extends beyond our stores. We Lead with Care by embedding environmental and social stewardship into our operating model. With over

15,000 e-bikes—one of India's largest EV fleets—we are reducing our carbon footprint while enhancing delivery efficiency. These efforts are complemented by community engagement programmes that amplify our impact.

Putting the Customer First: Every innovation, process improvement and product enhancement are
designed to Put the Customer First. From leveraging data and AI to personalise experiences and
optimise delivery, to maintaining uncompromising quality standards, we are building enduring
customer relationships—one order at a time. Our teams consistently Find Better Ways to serve,
adapt and exceed expectations.

### **Delicious Food in Every Offering**

Our passion for food is the soul of JFL. We have accelerated our pace of product innovation, introducing new offerings that resonate with our customers.

- For Domino's, our 'It Happens Only with Pizza' campaign has broadened the brand's role as a companion for many occasions. We are strategically building comprehensive food platforms through innovations centred around meal occasions where we launched lunch thali, cheese credentials where we launched Cheese Volcano and expanded Cheese burst range and newer offerings on Chicken through all new Chicken feast range.
- In Popeyes, we continue to build greater traction, with Average Daily Sales (ADS) improving quarteron-quarter. We believe in the Popeyes India playbook, based on a differentiated product, our own digital and delivery assets and a sound economic model.

### A Year of Strong International Performance

With successful integration of DP Eurasia, JFL Group now serves ~22% of the world's population. Our international business combined is delivering strong growth, profitability and recorded market share gains.

- The DP Eurasia (DPEU) region achieved Rs. 3,071 Cr in System Sales for FY'25. Revenue came in at Rs. 1,906 Cr with EBITDA and PAT margin of 21.8% and 6.6% respectively.
- Domino's Turkey delivered an FY'25 LFL growth of 0.4% on a high prior-year base of 29.2%. COFFY continues to make strides in Turkey, with its network reaching 160 cafés across 36 cities. Its system sales of Rs. 295 Cr for FY'25 now contribute nearly 10% to DPEU system sales.
- Domino's Sri Lanka is a great turnaround story. By applying our emerging market playbook, the business delivered its highest-ever revenue of Rs. 81 Cr, with record growth of 45.6%.
- Domino's Bangladesh Revenue stood at Rs. 62 Cr, registering a growth of 25.3%.

### Strategic Focus and Outlook

As we look ahead, our priorities remain clear:

- We will continue to aggressively pursue growth opportunities for Domino's, leveraging our brand strength, innovative spirit and delivery capabilities.
- We are committed to building large, profitable businesses with Popeyes and COFFY.

 We will maintain our disciplined approach to capital allocation, ensuring we invest in areas that deliver the greatest value.

We want to congratulate the entire Jubilant FoodWorks team for their exceptional performance. We thank our brand partners—Domino's International, RBI and Inspire Brands—and extend our gratitude to our customers, aggregator partners, vendors, service providers and local communities.

We extend our gratitude to our shareholders for your unwavering support. Together, we have achieved significant milestones and will continue to reach new heights. We are committed to building a sustainable and successful future.

As we look ahead, we are focused on building a durable business for the long term, ready to embrace the opportunities with the same bold spirit that has defined our past.

Thank You.
