Sustainability is deeply embedded in our multi-stakeholder business model as a key tenet of generating value. Through our first Integrated Report, we endeavoured to showcase a snapshot of these sustainable practices by taking you behind the scenes on what it takes to deliver piping hot, freshly made pizza and Choco-lava cake orders to our customers in under 20 minutes while keeping in mind the interests of all stakeholders. For the first time, we have shared the multi-year, time-bound goals anchored around Food, Planet, People and Communities and Governance and are progressing well to achieve the same."*
